

AGENDA

Population Health Planning Advisory Group

Tuesday, October 13, 2015

10:00 am-12:30 pm

One Columbus Building

Third floor – Conference Room

10 W. Broad Street, Columbus, Ohio 43215

Overall objectives for this meeting:

- **Objective 1.** The group will generate preliminary recommendations to improve the SHA and SHIP.
- **Objective 2.** The group will identify strengths, challenges and opportunities for improvement for community health planning led by local health departments and hospitals. (The results of this discussion will inform the work of the Infrastructure Subgroup.)
- **Objective 3.** The group will identify options for financing upstream population health activities. (The results of this discussion will inform the work of the Infrastructure Subgroup.)
- **Objective 4.** The group will review and provide feedback on a primary care delivery model that incorporates population health priorities.
