

AGENDA

Population Health Planning Advisory Group

Tuesday, November 17, 2015

1:00 to 3:30 pm

One Columbus Building

Third floor – Conference Room

10 W. Broad Street, Columbus, Ohio 43215

Overall objectives for this meeting:

The group will:

- **Objective 1.** Review recommendations for the population health planning infrastructure framework for Ohio.
- **Objective 2.** Provide feedback on preliminary proposed quality metrics for the PCMH model design.
- **Objective 3.** Review and discuss ways to align population health objectives and population-level metrics with the PCMH quality metrics.

Welcome

Amy Rohling McGee, Health Policy Institute of Ohio

Greg Moody, Office of Health Transformation

Population health planning infrastructure framework
