Welcome to the webinar!
The webinar will begin at 2 pm EST

Reem Aly
Director of Healthcare Payment and Innovation Policy

Amy Bush Stevens
Director of Prevention and Public Health Policy
By the end of this webinar....

- Find and use Dashboard materials
- Purpose and process
- How Ohio is doing
- Next steps
- Q & A
How can you use the Dashboard?
Thank you
Why focus on health value?

- Population health outcomes
- Health value
- Health costs

Dashboard

- Concise
- Visual, at-a-glance
- Most important indicators
- Data in context to guide decision making
Pathway to improved health value: A conceptual framework [11.10.14]

World Health Organization definition of health: Health is a state of complete physical, mental, and social wellbeing and not merely the absence of disease or infirmity.
“Triple Aim”
Institute for Healthcare Improvement

Population health

Experience of care

Per capita cost

13

Social and physical environment

Health-related behavior

Health system

Health outcomes

14
Pathway to improved health value: A conceptual framework

Systems and environments that affect health

- Healthcare system
- Prevention and public health
- Access
- Social and economic environment

Equitable, effective and efficient systems
- Optimal environments

Improved population health
- Health behaviors
- Health equity
- Health status
- Morbidity

Improved health value
- Public sector
- Private sector
- Consumers

Sustainable health costs
- Public sector
- Private sector
- Consumers

Programs and policies
- Public policy changes
- Regulation
- Regional initiatives
- Public-private partnerships
- Healthcare Collaboratives
- Health Coalition of Greater Cleveland
- Better Health Center Cleveland
- Private sector changes and organizational policy
- Employers
- Providers

Pathway to improved health value: A conceptual framework
Metric selection workgroups

Select a balanced set of 15 metrics to include in each dimension of the health value dashboard

Data compilation and ranking

Economics Center
UNIVERSITY OF Cincinnati
# State rankings and population health websites

- America’s Health Rankings
- RWJF Data Hub
- Commonwealth Scorecards
- Gallup-Healthways Well-being Index
- County Health Rankings
- Kaiser State Health Facts
- Network of Care

Ohio’s greatest health challenges, adult smoking
So...where do we go from here?

- http://www.healthpolicyohio.org/
### Ohio's Greatest Health Challenges

**Indicator**

<table>
<thead>
<tr>
<th>Domain</th>
<th>Indicator</th>
<th>Ohio's Rank</th>
<th>National Rank</th>
</tr>
</thead>
<tbody>
<tr>
<td>Reproducive Health</td>
<td>Access to reproductive health services</td>
<td>15</td>
<td>5th</td>
</tr>
<tr>
<td>NCHS WIC</td>
<td>Access to WIC services</td>
<td>20</td>
<td>6th</td>
</tr>
<tr>
<td>Mental Health</td>
<td>Access to mental health services</td>
<td>30</td>
<td>8th</td>
</tr>
<tr>
<td>Healthy Behaviors</td>
<td>Access to healthy behaviors</td>
<td>40</td>
<td>10th</td>
</tr>
</tbody>
</table>

**Objectives**

- Increase number of individuals with access to reproductive health services.
- Increase number of individuals with access to WIC services.
- Increase number of individuals with access to mental health services.
- Increase number of individuals with access to healthy behaviors.

---

### Ohio's Greatest Health Strengths

**Indicator**

<table>
<thead>
<tr>
<th>Domain</th>
<th>Indicator</th>
<th>Ohio's Rank</th>
<th>National Rank</th>
</tr>
</thead>
<tbody>
<tr>
<td>Public Health and Safety</td>
<td>Access to emergency preparedness</td>
<td>5</td>
<td>2nd</td>
</tr>
<tr>
<td>Access to healthcare services</td>
<td>Access to healthcare services</td>
<td>10</td>
<td>3rd</td>
</tr>
<tr>
<td>Access to healthy behaviors</td>
<td>Access to healthy behaviors</td>
<td>20</td>
<td>4th</td>
</tr>
<tr>
<td>Access to mental health services</td>
<td>Access to mental health services</td>
<td>30</td>
<td>5th</td>
</tr>
</tbody>
</table>

**Objectives**

- Increase number of individuals with access to emergency preparedness.
- Increase number of individuals with access to healthcare services.
- Increase number of individuals with access to healthy behaviors.
- Increase number of individuals with access to mental health services.

---

**Strengths to promote**

- Increase focus on emergency preparedness services.
- Increase focus on healthcare services.
- Increase focus on healthy behaviors.
- Increase focus on mental health services.

---

**Challenges to improve**

- Decrease in focus on emergency preparedness services.
- Decrease in focus on healthcare services.
- Decrease in focus on healthy behaviors.
- Decrease in focus on mental health services.
High priorities

- Tobacco use
- Behavioral health access
- Food insecurity/ healthy food access
What ideas do you have for using the Dashboard?
HPIO thanks our core funders, who are helping advance the Health of Ohioans through informed policy decisions.

- Interact for Health
- Mt. Sinai Health Care Foundation
- The Cleveland Foundation
- The George Gund Foundation
- Saint Luke's Foundation of Cleveland
- HealthPath Foundation of Ohio
- Sisters of Charity Foundation of Canton
- Sisters of Charity Foundation of Cleveland
- United Way of Greater Cincinnati
- Mercy Health
- CareSource Foundation
- SC Ministry Foundation
- United Way of Central Ohio
- Cardinal Health Foundation
