Objectives
As a result of this meeting, Advisory Group members will be:

- Aware of what has been accomplished on the project so far, including preliminary highlights from what has been learned from the most-improved states
- Prepared to effectively contribute to the October 17 meeting, including level-setting and pre-work to develop policy recommendations:
  - Understand Ohio’s current policy environment and how to craft realistic and effective policy recommendations
  - Be aware of types of policy levers and examples of similar recommendations
  - Understand how research evidence will be incorporated into the policy recommendation process

As a result of follow-up via email, HPIO will have:

- Initial suggestions of policy recommendations submitted from Advisory Group members via email before the Oct. 17 meeting
