State Health Assessment (SHA) & State Health Improvement Plan (SHIP) Advisory Committee Meeting #4, Agenda

Tuesday, June 4, 2019 • 10 a.m. to 12:30 p.m.
10 W. Broad St. • Columbus, OH 43215 • 5th floor conference room
Click here for parking information

Meeting objectives

As a result of participating in this meeting, Advisory Committee members will:
• Be aware of the purpose and timeline of the SHIP and how to participate in the SHIP development process
• Be familiar with the updated SHIP framework
• Share expertise and contribute ideas for developing the SHIP

As a result of participating in this meeting ODH and HPIO will have guidance on:
• Any needed revisions to desired outcomes and indicators within:
  a. Mental health and addiction
  b. Chronic disease and overall health
  c. Maternal and infant health
• Prioritizing sub-categories and desired outcomes within:
  a. Community conditions (social determinants of health)
  b. Health behaviors
  c. Access to care

Agenda

• Welcome and overview
• SHIP purpose and timeline
• SHIP framework
• Maternal and Child Health (MCH)/Maternal Infant and Early Childhood Home Visiting (MIECHV) update
• Small group discussion (round 1): Health outcomes
• Small group discussion (round 2): Health factors
• Next steps

In-person attendance is strongly preferred and it will not be possible to participate in small group discussions via phone. However, click here for information about how to connect remotely via GoToMeeting to participate in the first half of the meeting.

The Health Policy Institute of Ohio is facilitating the SHA/SHIP Advisory Committee on behalf of the Ohio Department of Health.
